Grid:_____

SUBJECT: Request and Authorization for Above-Ground Natural Gas Service Line.

This memorandum confirms our request to you, this date, to have a temporary gas service line installed to the above premises in accordance with your service line application.

We understand and accept that this line will be installed at our request and at our sole risk insofar as obstruction to foot traffic is concerned, and we hereby indemnify and hold you harmless from claims of damage which may arise out of such obstruction to foot traffic, excepting those claims which arise out of your negligence and liability for loss, if any due to leaking gas.

COST: Charges for temporary gas for the 2012/2013 Heating Season will be charged on the service line application for above property.

☐ Bell Hole: $850 plus $2.50 per foot.

☐ Meter to Meter:
Temp. above Ground $500 plus $2.50 per foot.

☐ Will be ready for gas on
_____
(Date)

☐ Ready now
(Meter location marked)

Please contact Distribution at (907) 334-7725, five (5) working days in advance to schedule the work needed. Weather and/or extreme circumstances may lengthen lead time.
