**FOR IMMEDIATE RELEASE**

**ENSTAR Asks for Approval of  
Gas Supply Agreement with Marathon Alaska Production LLC**

**ANCHORAGE** – ENSTAR Natural Gas Company (ENSTAR) announced today it has signed a Gas Supply Agreement (GSA) with Marathon Alaska Production, LLC (MAP). The contract was filed for approval with the Regulatory Commission of Alaska (RCA) on Friday, April 9<sup>th</sup>. If the RCA approves the proposed gas supply contract, ENSTAR would begin purchasing the gas on January 1, 2011. The proposed contract provides for approximately 16.5 billion cubic feet (Bcf) of natural gas over the next two years and will meet approximately 90 percent of ENSTAR's gas supply requirements.

"Marathon has supplied ENSTAR with natural gas for more than 45 years," said Colleen Starring, president of ENSTAR Natural Gas Company. "The new supply contract will help to meet our customer's projected needs during the next two years."

ENSTAR has asked for regulatory approval no later than October 15, 2010. To view a copy of the complete filing, visit <http://www.enstarnaturalgas.com/RatesRegulatory.aspx>
