

REMEMBER!

**NEVER GUESS THE DEPTH OF YOUR BURIED GAS LINES.
THEY MAY NOT BE BURIED AS DEEP AS YOU THINK.**

Whether you're installing a fence, planting a garden, or removing a tree stump, Alaska law requires you to call 811 for underground utility locates; every project every time. Failing to call 811 is one of the main causes of pipeline damage and can add over \$1,000 to your project costs. More importantly, every time a pipeline is damaged the safety of your family and neighbors, along with yourself, is put at risk.

**Know what's below.
Call before you dig.**

**CALL AT LEAST TWO DAYS BEFORE STARTING YOUR PROJECT
TO GET FREE LOCATES OF YOUR UNDERGROUND UTILITY LINES.**

**AVOID THE IMPACT OF
SEASONAL HIGHS & LOWS
ON YOUR MONTHLY BILL...**

SIGN UP FOR BUDGET BILLING

Budget Billing is a great way to level out the highs and lows of seasonal bills and make your monthly natural gas bill more predictable. Enroll online between May 1st to July 31st each year.

How It Works: To establish your Budget Billing amount, ENSTAR estimates your monthly gas charges based on the last three calendar years of consumption and divides this amount into 11 equal bills. Each month from August through June, your ENSTAR bill will be the Budget Billing amount. In addition, you will also be able to see the difference between your actual charges and what you have paid to date.

July is the "settle up" month for Budget Billing. On the July bill, ENSTAR takes the actual charges for the plan year and subtracts your total payments. If you used less gas than estimated, a credit will be applied to your July bill. If you used more gas, you will be charged the difference.

Call 811 Before You Dig Kids' Art Contest

CONGRATULATIONS, STEPHANIE REUTOV!

Stephanie is a 4th grader in the Matanuska-Susitna School District. Her artwork creatively and accurately shows the importance of calling 811 before starting any digging project!

We received artwork from K-12 students in the Anchorage, Kenai, and Matanuska-Susitna School Districts. Our thanks to everyone who submitted artwork this year and helped us spread the word on 811!

ENSTAR Honored with Spirit of Tomorrow Award

ENSTAR's Lindsay Hobson and Alicia Luna with Willow Crest Elementary Principal, Raymond Marshall.

The Anchorage School Business Partnership recently recognized ENSTAR with a Spirit of Tomorrow Award. This award recognizes exceptional business partners in the community. ENSTAR was honored to be nominated by Willow Crest Elementary for volunteer work that includes an annual book drive and pizza party for students each December.

ENSTAR Files Gas Cost Adjustment (GCA) with the Regulatory Commission of Alaska (RCA)

On May 15, 2023 ENSTAR made its required annual filing with the Regulatory Commission of Alaska known as the Gas Cost Adjustment (GCA). The filing increases the current gas cost of \$0.83771/Ccf to \$0.86517/Ccf. ENSTAR estimates that customers will see an annualized increase of 2.7% which represents \$3.27/month for average residential customers. If approved, the change will be effective on July 2023 bills.
